31. Briefly explain your reasons for applying to become a ISC Volunteer:

I would like facilitate the global expansion of the sericulture industry, through parting knowledge gained by me during my service of 37 years and the experience that I have attained. I understand that many countries are coming forward to introduce sericulture, but do not possess the required trained and experienced personnel to man the industry. As, I have adequate experience and interest to part with it, this opportunity will come very handy for me.

32. I certify that the statements made in answer to all the above questions are true, complete and correct to the best of my knowledge. I understand that any misrepresentation or omission made in this Personal History Statement form may render my candidature invalid or, if serving as a ISC Volunteer, liable for early termination of my contract. I have read and understood ISC's Conditions of Service and accept them in principle.
