31. Briefly explain your reasons for applying to become a ISC Volunteer For the last three decades, I was involved in the research leading to the development of productive and robust bivoltine hybrids. I was closely associated with the development of 11 bivoltine hybrids authorized by Central Silk Board. I wish to utilize my expertise in silkworm breeding for the development of sericulture. I believe that, I can achieve similar results in other countries which are in need of developing suitable breeds/hybrids for their condition.			
32. I certify that the statements made in answer to all the above questions are true, complete, and correct to the best of my knowledge. I understand that any misrepresentation or omission made in this Personal History Statement form may render my candidature invalid or, if serving as a ISC Volunteer , liable for early termination of my contract. I have read and understood ISC's Conditions of Service and accept them in principle.
