31. Briefly explain your reasons for applying to become a ISC Volunteer: Actually while I was working at CSR&TI, Mysore as Hostel warden (Additional Duty) for ICTRETS/National trainees for 5 years, I have an opportunity to interact with many trainees from developing countries came to know their working and living conditions responded to their needs. While I was undergoing counterpart training in Japan I learnt their hard work, time punctuality and sincerity in their efforts motivated me to work as VEP with full spirit. Till today I am having contacts with my students worldwide. I used to go for community based programmes with my guide Dr.Y.Yamamoto, Chief of Silkworm breeding at NISES, Matsumoto and learnt volunteer work. I have rich cultural exposure for having organized many cultural events. I used to give lot of counseling to the students and used to help many students for different projects, JRF/SRF positions. This special interest in Human resource development building has prompted me for applying to this programme. On the other side, I am having lot of Research experience in silkworm breeding and Disease control technology, more than 100 papers in national/international journals, Authorship in books, guiding students, Appreciation letters / awards for meritorious contributions and experience in Events management will certainly help to become good volunteer Expert.

32. I certify that the statements made in answer to all the above questions are true, complete and correct to the best of my knowledge. I understand that any misrepresentation or omission made in this Personal History Statement form may render my candidature invalid or if serving as a ISC Volunteer, liable for early termination of my contract. I have read and understood ISC's Conditions of Service and accept them in principle.
